

This resume is AI generated while I work to improve my current resume. The prompt used was "Can you make an illogical resume that seems normal until you take a closer look"

Name: Alice B. Toejam

Objective: To obtain a position that doesn't require me to wear pants

Education:

- Graduated with honors from Clown College, where I majored in Balloon Animals
- Completed a weekend workshop on underwater basket weaving

Experience:

- Worked as a professional hugger for three years, spreading joy and love to people who needed it most
- Served as a part-time unicorn wrangler for a traveling circus, taming wild unicorns and preparing them for performances
- Operated a lemonade stand for two summers, learning important skills such as inventory management and customer service

Skills:

- Can juggle up to five pineapples at once
- Fluent in Pig Latin and backwards talking
- Can recite the alphabet backwards in under five seconds
- Expert in parallel parking

References:

- My imaginary friend, Mr. Snuffles, says I'm the best hugger in the world
- My former unicorn boss, Sparkles, thinks I'm a true unicorn whisperer
